Riddle-Mi-Ree!

In olden times riddle competitions were held. The person who could answer the most was considered to be the cleverest. Try these with your friends, or on your teacher.

Q. What is as big as an elephant, looks like an elephant, but has no weight?

Q. What can honk without using a horn?

Q. What starts with the letter 'E', ends with the letter 'E' and contains only one letter?

Fascinating Fact

The brain operates on the same amount of power as a 10W light bulb. So the cartoon image of a light bulb over your head when you have an idea is a good one.!

What do you get if you cross a flock of sheep with a radiator?
Central bleating!

Riddle Answers
An elephant's shadow

The Parish and Town Councils in Bracknell Forest have joined together to organise 8 days of free summer holiday fun for all ages. The Warfield Fun Day will take place on Friday 29 July, 11am – 3pm, at a new location; Warfield Memorial Ground, Newell Green (by the Plough & Harrow). Activities will include bouncy castle and inflatable slide for younger children, large inflatable obstacle course, climbing wall, laser tag, crazy golf, circus skills, balloon modelling and more still to be announced. Do bring a picnic! The remaining 7 events will take place at locations across Bracknell Forest, including Binfield and Winkfield – look out for posters coming soon.

Parish/Borough Councillor Surgeries

The Parish Council holds monthly surgeries, where Parish and Borough Councillors are available to discuss any problems and ideas residents may have. So, if you have any planning, litter, parking, open space or any other issues, do come along to the Parish Office to meet your Councillors. The next surgery is on Saturday 3 September, 10am – 12 noon. No appointment necessary – just pop in at a time to suit.

Wimbledon

Wimbledon fortnight is the annual event which enthuses even non-tennis-lovers.

Here are some Wimbledon facts to muse on as you enjoy the matches.

Wimbledon is the only Grand Slam event to be played on grass, which is cut to exactly 8mm for the competition.

There is a strict dress code. Players must dress in mainly white clothing and umpires request them to comply. Even Roger Federer was asked to change his shoes because they had orange soles!

There are 250 ball boys and girls (known as BBGs) at Wimbledon. Their average age is 15. They are all volunteers selected from participating schools. Historically only boys were selected but

in 1977 girls were used for the first time though it was only in 1985 they were allowed to appear on centre court.

More than 50 000 tennis balls used at Wimbledon every year! 700 or so go missing when they accidentally

fly into the crowd. Balls are replaced every 7-9 games, and those not in use are stored in special refrigerated containers to make sure they are kept in peak condition.

Wimbledon is synonymous with strawberries and more than 140 000 tubs will be consumed by spectators this year. Players on the other hand prefer bananas for energy and will consume around 15000 of them!

What is more important, a property's capital growth or rental yield?

There are two ways to make money as a property investor; via the monthly rental payments and the property's capital growth. It is important to understand the difference before you purchase a buy-to-let investment to ensure you maximise the opportunities.

Many property investors have a long-term 'buy and hold' strategy in mind, whether that's five years, 10 years, or 20 years, and the capital growth is the amount of money you make when you sell your investment property. However, rental yields are still important as they signify the rate of return from an investment and will often cover the monthly mortgage repayments, bills and on-going maintenance.

Tom Austin
Manager,
Residential Sales

“

Every investor I talk to is looking for something different from their investment, and more often than not both the capital growth and the rental yields are important.

Even if you've become an accidental landlord understanding what capital appreciation and rental yields you can achieve will help you plan how long you intend to hold onto the property before selling it.

I highly recommend seeking advice from a property expert. They have knowledge of the local marketplace and examples of the types of property that are more likely to appreciate in value or deliver strong rental yields.
